**CÔTEAUX CHAMPENOIS
LES ROSIERS 2018**

Our « Coteau champenois rouge, Les Rosiers 2018 ». It's just the first red wine produced on the estate.... Vinified from the same name vineyard plot with grapes usually used for champagne.

“Les Rosiers” is a plot ”planted in 1968 by Maurice, Fabien’s grandfather. These Pinot noir of more that 50 years provide mature wines, rich with a beautiful gravity. A vatting of 9 days has allowed to highlight the fruit from this great year.

Thus, our region and our know-how are brought to light today in a different spotlight. Yet, we keep the same love and same care in its producing.
